

Hot Dog Puppet- 4

identical. One needs to be able to be eaten by ducking.
The other 3 should be able to "dance" with the song.
Standard sock/hand puppet around 9"-11" in length.
Variations of condiments/toppings would be fun!

Hot Dog Cart

Umbrella should be smaller maybe with hot dog puppets hanging off of it.
Umbrella preferred over awning.

Comically Long List & Quill

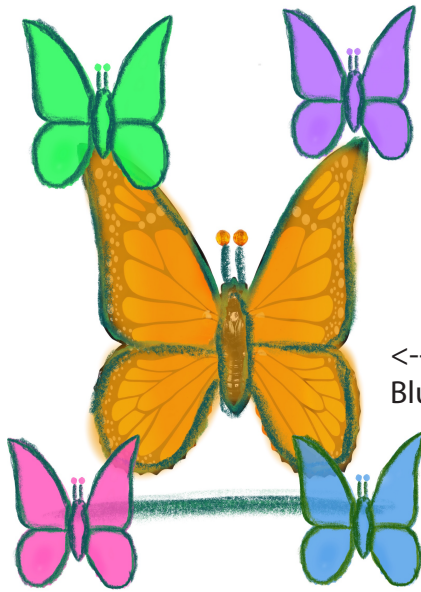

Preferably able to roll out AND hold the curved shape and not just fall flat. Quill looks like Pigeon's own feather.

Don't Let The Pigeon Drive The Bus!

Prop Book **REVISED: 9/5/23**

Andrea Ball

Butterflies on sticks. Must be recognizable as butterfly from stage.
 Around 7" wide by 9" tall. Springs attach wings to body so they can flap.
 All Single Rainbow Colors with blue green outline
 (similar to set details and lamppost.)

Spinning Sign- 2 Total Needed- Design Idea ^
 Able to spun by actor. HONK on one side STEER
 on the other for both signs. Ask Direction if
 HONK and STEER's arrows need to point same
 direction or opposite.

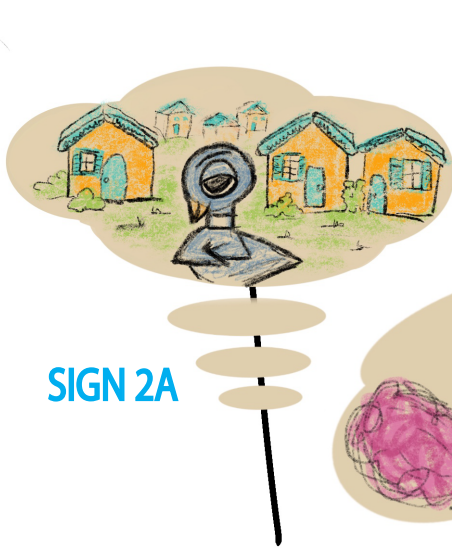

Unlimited Squirrel's signs should match whatever color
 the spinning "HONK/STEER" sign colors are.

SIGN 2A

SIGN 1A

SIGN 3A

1st Side

SIGN 2B

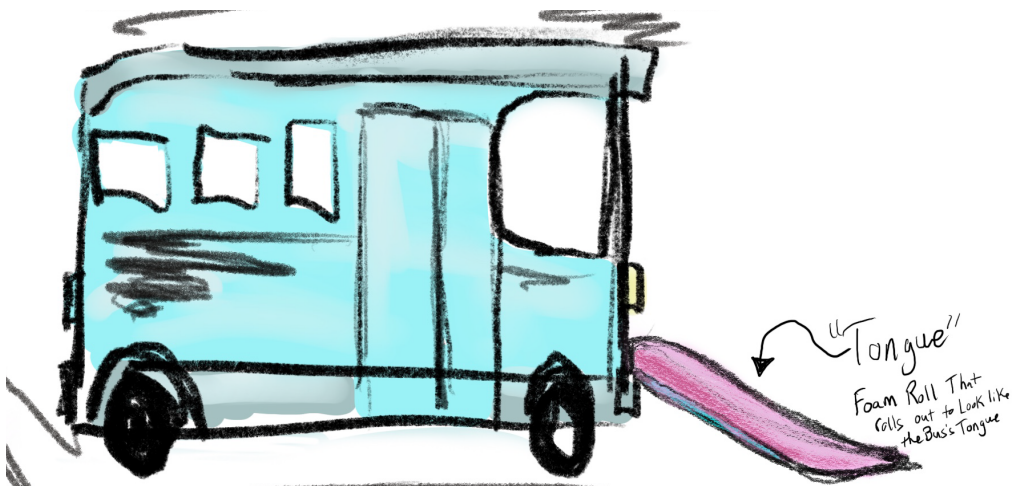

SIGN 1B

SIGN 3B

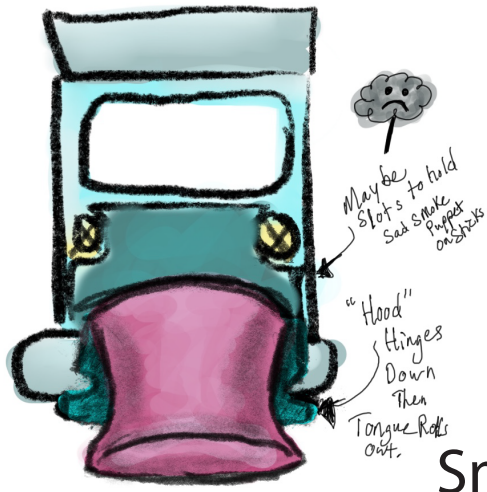

2nd Side

Thought Bubble Signs 3 total
Painted on both sides with these images.
Black line indicates rod performer can use to hold
and then turn the sign over to the second side.
Double check before painting images, but the current
configuration of images is indicated with the label next to it.
The number indicates the sign, the number indicated the side.
It is also color coded by side. **First Side-Second Side**

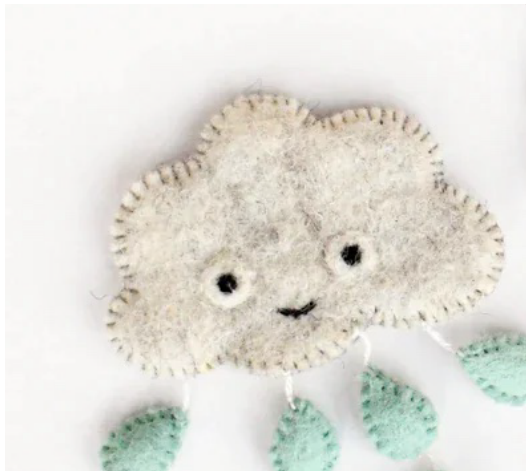

Bus Tongue

Upholstery foam sculpted and painted then rolled up. When tongue is released, bird seed confetti "explodes" out of the engine at the same time.

Smoke Puff Puppets

Felt smoke clouds with sad, surprised, or dead faces on a stick. Base where tongue attaches or tongue itself has holes for sticks with smoke puffs.

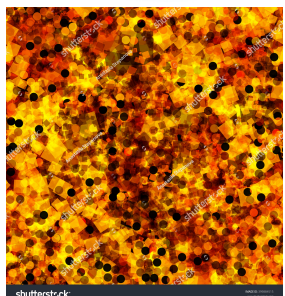

Bus Window Roll Shades

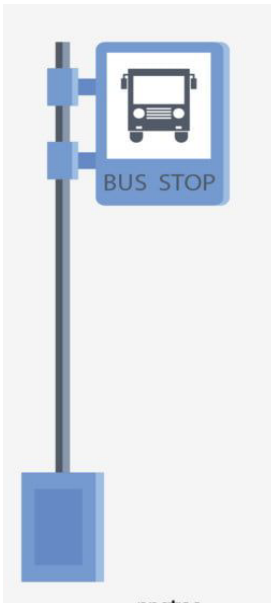

Mounted on inside of bus above the three window openings with NO! on one side and PANIC! on the other side. NO! side seen with blue side of bus and PANIC! side seen with Pink side of bus. Panic side should similar to ZAP colors

Bird Seed "Hairball"

Yellow ball around 7" diameter Looks similar to birdseed confetti

Bus sign

Self standing. First sign has bus picture with words "BUS STOP"
 Flippable sign with HONK HONK and STEER STEER for the song.
 Honk Honk and steer steer should be in pop art style.

Flip Sign Examples/Options

NO! Signs- 13

One for Bus flip sign. One for each side of the "Laugh In Doors".

Working Lamp Post-

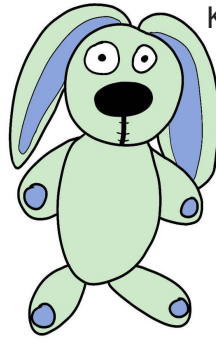

Any working park/city lamp post.
 Preferably painted similarly to the linework
 on the city flats. Reference below.

Don't Let The Pigeon Drive The Bus!

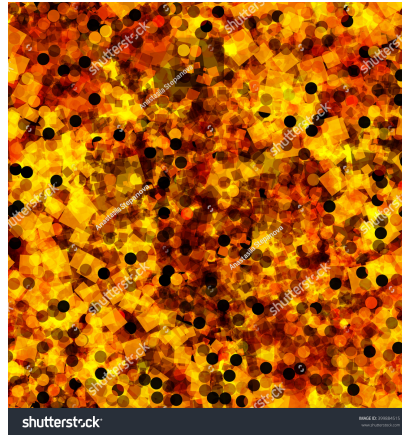

Prop Book REVISED: 9/5/23

Andrea Ball

Large/ Oversized purse

Holding "bird seed" and Knuffle Bunny
Bird seed should be varying colors of confetti dots.
Knuffle Bunny stuffy should be around 11" in length.

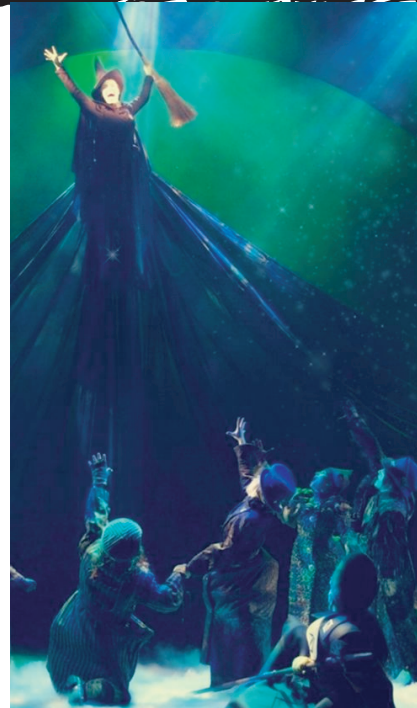

shutterstock.com · 2111211662

Airplane Sign

Similar to Bus Sign but with Airplane symbol

RAINBOW STREAMERS!

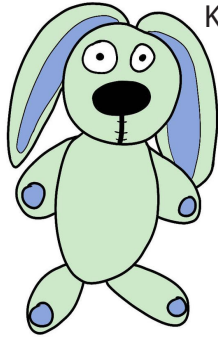

When Pigeon starts flying/rising up on the elevated platform, rainbow fabric helps show vertical movement by attaching to Pigeon and unfurling as he ascends. Think "Defying Gravity" but with a Pigeon puppet and rainbow fabric...
